PRESS RELEASE

The Chemehuevi Indian Tribal Council met on May 6th, 2020 to discuss a re-opening date for the Chemehuevi Indian Reservation and its Havasu Landing Casino, Hotel and Resort; including the Havasu Palms. At this time, we have decided to remain closed

The deciding factor has been our over-riding concern for the health and safety of our community, our team members and our guests. We have decided to err on the side of caution.

We have not seen the required two week reduction in COVID-19 coronavirus cases as originally stressed by President Trump and both California Gov. Newsom and Arizona Gov. Ducey. We know and understand that despite that fact, they have made the first steps toward Phase 2 of their re-opening strategies and we anxiously await the results of those actions.

The Chemehuevi Indian Tribal Council will meet again on May 15th, 2020 to re-assess the on-going situation.

Chairman Charles F. Wood
